

REMARKS

The above-identified application was allowed in the Notice of Allowance dated August 24, 2010, and the issue fee has not yet been paid. As stated above, Applicants have filed this Amendment after Allowance to correct minor terminology issues in specification, i.e., replacement of the acronym "EMBAC" with "HMBA". Applicants submit that the term "HMBA" is well known to those skilled in the art as an acronym for the compound hexamethylenebisacetamide disclosed at page 18, line 9 of the as-filed specification. Accordingly, no new matter has been introduced.

Please grant any extensions of time required to enter this response and charge any additional required fees to Deposit Account No. 06-0916.

Respectfully submitted,
